LOOKING FOR A JOB? THEN VISIT jobs.gov.gy

The National Job Bank is a National Employment Service that offers free information on Guyana's labour market. The Job Bank provides users, both employers and job seekers, free career information such as job opportunities, educational requirements, main duties, and current employment trends.

The mandate is carried out by the Ministry of Labour, where we provide a safe space for jobseekers to view the latest vacancies and employers to screen potential employees based on information provided, before even conducting an interview, via our **website jobs.gov.gy**.

HOW CAN WE HELP YOU? JOBSEEKERS SEEKING EMPLOYMENT

We can help you to find a job using the website jobs.gov.gy, by simply uploading your resume and other academic achievements to the Job Bank. With an email address and a password, we welcome you to our gateway to your future job. You will be able to browse through endless vacancies from the comforts of your home or wherever you are and can have internet access.

HOW THIS WORKS FOR THE JOBSEEKERS?

- (1) Jobseekers will have the opportunity of viewing the existing vacancies.
- (2) Jobseekers will also have the opportunity of making direct contact with employers to enquire of existing vacancies.

WHY SIGN UP WITH THE NATIONAL JOB BANK?

Vacancies are posted to the Job Bank from all sectors of employment you can think of and it is another means of seeking employment. This service is absolutely **FREE!** It is convenient for both jobseekers and employers.
